+ Agenda

- Aujourd'hui : Le constat
- Les innovations
- Les cas d'usages

Le Constat :Nouvelle ère

Comportement

Emotions

+ Le Constat

Le PC, le poste téléphonique IP de bureau et, dans une moindre mesure, le notebook ne sont-ils pas voués à disparaître de notre environnement de travail ?

Selon les progrès technologiques, les usages par les jeunes générations, et la réalité du terrain, il ne fait aucun doute que tous ces terminaux sont condamnés évoluer moyen terme ou à disparaître en l'état.

+ Prendre en compte :

Les jeunes générations, sont de plus en plus nombreux à effectuer des tâches que celles qui les ont précédées n'accomplissaient pas :

- Saisir un e-mail
- Prendre une photo de qualité
- Utiliser une application métier
- Payer avec le terminal

Lenovo all-in-one, purpose built device for simplified meetings

ThinkSmart Hub 500

THINKSMART HUB 500

COMPETITIVE ADVANTAGES

- The only Integrated AIO Design
- ~50% the footprint
- ~50% the setup time
- ~30% reduction in cost
- Global availability in 180 Countries

KEY DIFFERENTIATORS*

- Purpose built Skype Room System
- All-in-one design with compute, screen & audio
- 3 Year on site warranty
- Intel® Core i5 performance
- Dolby® Premium audio
- Simple and easy deployment
- Business-class manageability with Intel® vPro
- No annual service fee
